Arsenal LED Lighting

Why Arsenal LED Lighting by Rumbling Pride?

- ✦ 100% remote controlled, multi-frequency LED lighting systems utilizing the *Freedom I & Freedom III Series* Compact Controllers.
- ✦ The only multifunctional, RAM driven, LED lighting system on the market today.
- ✦ The only company offering multiple controllers, each providing different, unique ambient lighting effects and functionality.
- ✦ Industry's largest selection of solid and specialty colors/combinations; 18 Color Combinations, 7 Solid Colors, and Customs Available.
- ✦ Finally - a true and complete "plug-n-play" LED lighting system, for the ultimate in customization as well as saving time on installation and the ability to easily add additional lighting at any time.
- ✦ Interconnectivity between all *Arsenal LED Lighting* products... plus the ability to control power on and power off of other 12V accessories including other manufacturer's lighting products.
- ✦ A full line of LED products offer the right products for the right application: 6" and 12" *Stealth* Super-soft flexible tubes and .8" diameter *6-Shooterz*.
- ✦ Warranty issues are handled direct by Rumbling Pride.
